JOB 1

Web Developer - Grey Lynn - Full time (self-employed contract)

We are looking for a motivated web developer who is good with WordPress and Magento. You'll be enthusiastic with a positive attitude, dedication and willingness to work hard, sometimes under high production pressure.

Responsibilities and Requirements:

- Good experience of PHP programming, MySQL, XHTML, CSS and JavaScript
- Great knowledge and experience of building WordPress CMS websites using the best practice & de-facto standard plugins.
- Experience working with WordPress at a PHP code level:
    - Knowledge of existing inbuilt WordPress functions
    - **Creation of custom post types/fields**
    - Integration and customisation of plugins/widgets written to conform with the WordPress coding standards
    - Creation of clean, logical, well-documented and re-usable code
    - Theme/Template integration
- **Able to install and customise module/extensions in Magento**
- Knowledge and experience of web accessibility
- Good understanding of cross-platform and cross-browser issues

Bonuses for your application (but not required):

- Having UI design experience and a good eye for UI design will be a huge advantage.
- Experience with integration of CRMs will be advantageous
- Use of jQuery / AJAX / Prototype / script.aculo.us an advantage
- Experience of PHP 5 and OOP beneficial
- Knowledge of WordPress Network (Multisite) beneficial
- Hours
- 40.0
- Pay rate (pay per hour)
- $17.00 - $20.00
